

## TC CHRISTIAN CHARACTER AGREEMENT

Thank you for your interest in serving at TC. We appreciate your willingness to take the time to fill out this agreement.

The heart of this agreement is meant to clearly communicate Biblical expectations. In our modern culture of social media and political correctness, we feel it is important to cover our understanding of the Biblical position on three important topics. The last thing we want to do is put you in a position where you feel unnecessary pressure to teach, represent, or appear to give assent to something that you do not personally embrace. None of the actions or behaviors mentioned below will stop you from volunteering at TC, if you are willing to identify these behaviors as sin and take corrective actions to get victory over them. The leadership at TC, along with your TC family, is here to support you. We will not judge you. We all desire to be a positive influence in your life and in your faith walk.

So, on the following three subjects, here are the things we would expect the volunteers at TC to agree with, communicate and model:

**Regarding Social Media** If you blog or maintain a Facebook, Twitter, Instagram or other social media account, your TC family may opt to keep up with you through these media channels. While social media can be a great connection tool, it also serves as a window into your life beyond Sunday mornings. Considering that, we ask you to keep in mind that we are to honor the Lord and serve as His ambassadors wherever we go—including the Internet. Please know that the things you post (language, pictures, views, comments, etc.) on social media sites are usually accessible to your TC family of all ages, as well as those looking to you as a witness for Christ outside of TC. If you agree to represent your Christian witness and the church well on social media, please check below.

- I agree to use good, godly judgment while on social media and to represent the church well.

**Regarding Alcohol/Drug Use** If any of the statements below describe your life, we want to help you in these areas. Please check the appropriate box or boxes below. Pastor Scott & Laurie will meet with you to help you find freedom and come up with a plan of attack to navigate past any of the challenges checked below.

- I am currently not struggling in this area of my life.
- I have been arrested for or convicted of an alcohol or drug-related offense in the past twelve months.
- I am currently being treated for alcohol or drug abuse.
- I am currently using marijuana or another illegal substance (not prescribed to you by a licensed, practicing physician).
- I am abusing prescription drugs by taking more than the prescribed dosage, and/or using them for reasons other than the reason prescribed.
- I am consuming alcohol to the point of being unable to drive (drunkenness) or to the point of it being illegal for me to drive myself home as part of my weekend or weeknight routine.

**Regarding Sexual Behavior** The Bible teaches that sex was created by God as an expression of intimacy between a man and woman within the context of marriage. TC members and volunteers who embrace lifestyles or behaviors that conflict with the Bible will eventually find themselves having to pretend to be something they are not. They will eventually feel forced to act as if they believe something they do not. To protect you from a potentially awkward situation, if any of the statements listed below describe your current lifestyle or belief system, please speak with us about establishing a plan to help you. Check any boxes below that apply.

- I am currently not struggling in this area of my life.
- I am involved in a sexual relationship and am not married.
- I am interested in or pursuing a same sex relationship.
- I am unmarried and living with a member of the opposite sex.
- I am married and currently involved in a sexual relationship outside of my marriage.
- I am addicted to or regularly viewing pornography.
- Although I am not involved in any of the choices above, I do believe that it is ok for people to live these lifestyles while serving in the church.

This Christian Character Agreement is intended to help you, by identifying any behaviors or mindsets that would stunt your spiritual growth and maturity in the Lord. We know that the Lord is pleased with the progressive growth in the lives of all His children, and we trust this agreement will be a helpful catalyst to your own spiritual development. If you are struggling with any of the previously mentioned situations in your life, it would not be fair to ask you to serve in the church until these issues are properly addressed. Please complete this form and place it in the offering box in the sanctuary. Pastor Scott or the pastoral team at TC will be contacting you to help you find appropriate support for achieving victory.

If you have any questions regarding your volunteer status at TC, please do not hesitate to contact us at 724-992-9668 to set up an appointment. Please complete this form by checking the appropriate box below.

- I agree to the moral guidelines contained in this agreement and am not currently struggling in any of these areas.
- I agree to the guidelines listed but would like to speak with Pastor Scott about developing a strategic plan to help me in one or more of these areas.
- I currently do not agree to these moral guidelines and will not be volunteering in the church at this time.
- I do not agree to these moral guidelines but would like an appointment with Pastor Scott to discuss this agreement.
